

South West Coast Path [†]

Kit Johnstone, Ph.D.
Dorset, 2007

3 Dorset, Devon, Cornwall, Devon,
Somerset's Minehead, path ahead goes on;
These rocks still young, Cretaceous yet
The further west they older get.

Kit Johnstone, Ph.D.
Wilderness, 2010

[†] North from Swanage across Swanage Bay tower Old Harry Rocks, stacks of chalk 80 million years old.
